

Thurston Middle School PTA NEW Kindness Challenge!

Raise Craze Kindness is a fundraising platform for students to request donations for their **pay it forward kindness acts**. Students create a personal secure custom website where they request donations from their families, neighbors and friends to recognize their efforts in completing **acts of kindness**. The student can choose from a PTA selected list of kindness acts or create their own activity to promote paying it forward through kindness.

This will be our 1st annual Kindness Challenge event and our biggest fundraising event to support the programs sponsored by the PTA for this school year! Now we need

you to join us through corporate or *family sponsorship. Let us promote you as you promote our students. Kind sponsors like you will help make **Thurston Middle School's Kindness Challenge** a success!
